PACTIV

CRYSTAL CLEAR DOMES

This SmartLock® Caterware® line extension provides operators enhanced showcasing from APET while continuing to rely on the security that SmartLock® closures provide. Dome design ensures secure stacking while maximizing food appeal and presentation.

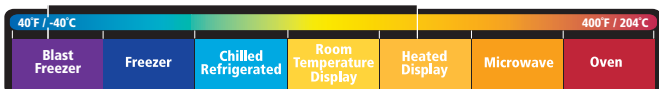

Increased dome height

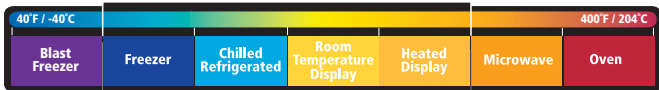

Secure stacking during transport

Features	Benefits
SmartLock® Closure	An easy way to secure dome to tray. Maintains a secure closure during transit.
Excellent Lid Clarity	Clarity of APET facilitates presentation and enhances appeal of food presentation.
Crack Resistant Material	APET can be frozen for specific applications or during preparation. APET Cater Domes carry the #1 recycling code.
Secure Nesting	Design keeps trays stacked and prevents shifting during transportation.
Ergonomic Thumb Tab	Facilitates quick and easy opening without disturbing food.
Contemporary New Design	Maximizes the aesthetic appeal and showcases the food inside.
Variety of Sizes	Provides a tray for every application.

These guidelines are supplied to assist you in determining the proper use of Pactiv products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
