

ClearView™ Hinged Lid Deli Containers

ClearView™ Hinged Lid Deli Containers are available in a variety of sizes. The flexible APET material makes them ideal for freezer and cold deli applications with no cracking.

Integrated hinged lids eliminate lost lids, can free up valuable storage space and reduce inventory costs.

Smooth panels allow effective label application for pricing, nutritional or preparation information. Excellent clarity promotes impulse sales.

ClearView™ Hinged Lid Deli Containers

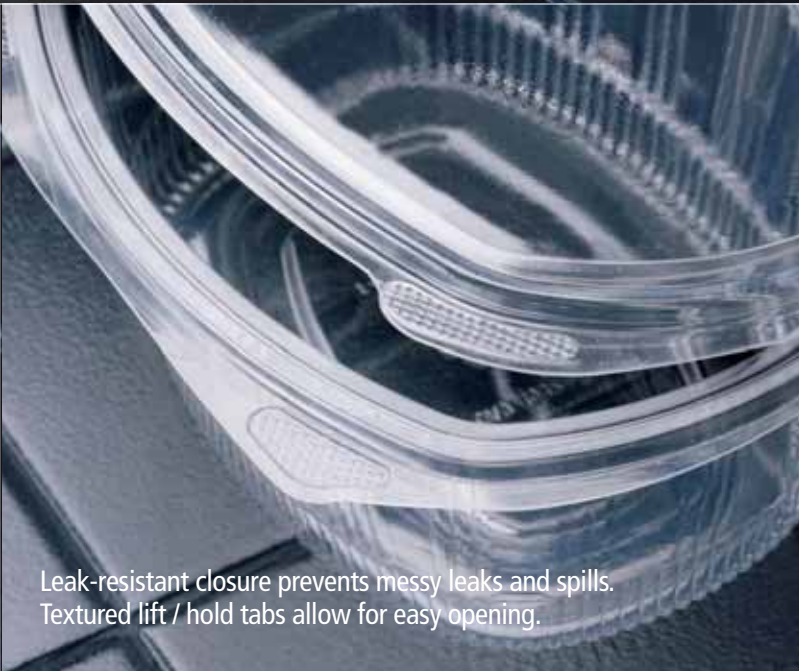

How many great ideas can you fit into a deli container? Take a close look and see for yourself.

ClearView™ Hinged Lid Deli Containers are designed specifically to meet the unique needs of deli operations like yours.

We've pulled out all the stops and packed these containers with performance features that help your operation run smoother and more efficiently while giving your customers even more reasons to come back again and again.

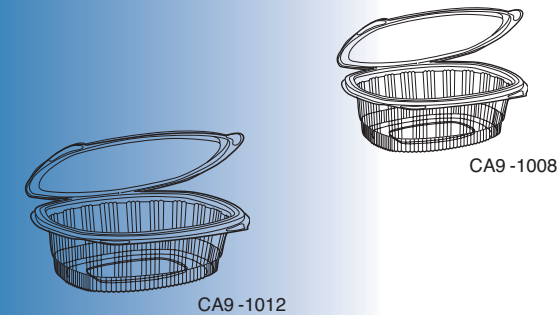

From the flexible, hard-to-crack APET material and enhanced clarity, to the secure lid and leak-resistant closures, you'll find a lot to like. Factor in the convenient handling, and you can bet your customers are going to feel the same way.

Best of all, ClearView™ Hinged Lid Deli Containers are available in a wide variety of sizes to fit a broad range of packaging needs. They're the perfect choice for main dish and side items, bulk foods, cold pasta, fruit salads and more.

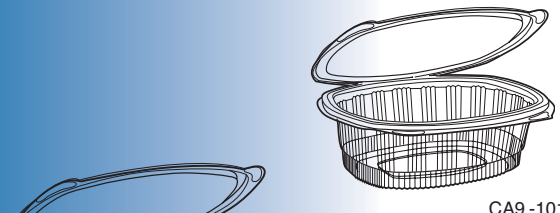

Leak-resistant closure prevents messy leaks and spills.
Textured lift / hold tabs allow for easy opening.
