

CONEX[®]

Cold Cups

Conex cold cups provide you and your customers with the quality you demand, along with a wide selection of sizes and styles. Made from high impact polystyrene, each cup is sturdy and shatterproof... yet flexible. Smooth rolled rims make sipping your favorite beverage a pleasure.

Translucent Cups

Sizes available from the 3 1/2 ounce all the way to the 32 ounce big drink cup. Sidewall rings add strength and provide a no-slip gripping surface.

Custom Printed Cups

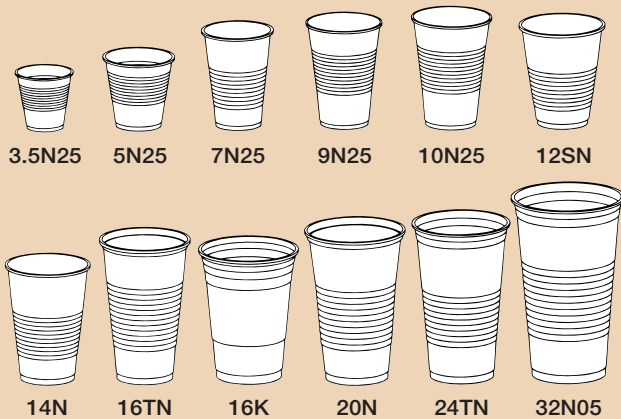

A separate line of smooth-wall translucent cups are available just for custom printing. Personalize your beverage service with the name of your business...it will increase market visibility by keeping your name in front of your customers. And, custom printed cold cups are great for promoting special events, trade shows, festivals...the list goes on and on. Sizes available from 7 ounce to 32 ounce, printed up to four spot colors.

Coffee Service

Reusable plastic cup holders work together with disposable inserts to create an effective and convenient coffee service. Just snap the insert in, add steaming hot coffee...and enjoy. When you're done, the insert just pops out.
