PP Cups

Clear Polypropylene (PP) Cups

Feature	Advantage	Benefit
Clarity	Provides product visibility	Increases impulse sales and enhances merchandising
Lid Interchangeability	One lid fits four cup sizes	Increases efficiency by saving storage and counter space
Made of Shatterproof PP Plastic	Will not crack or break	Reduces customer complaints by reducing spills due to breakage
Flush Fill Capacity	Provides portion control	Reduces operator beverage costs and increases profits
Rolled Rim	Provides a secure lid fit, reinforces sidewall strength, and promotes drinking comfort	Increases customer satisfaction
Leak-proof Lid Fit	Prevents leaks and spills	Reduces customer complaints by reducing the chances of spills
Six Color Print Capability	Ideal for custom printing	Increases business awareness and enhances image
Ultraviolet (UV) Inks	Create brighter colors	Enhances print quality and business image
Foot Stack	Allows for easy, one-handed separation	Facilitates dispensing of cups and increases operational efficiency
Clear Lids	Provides product visibility	Increases impulse sales
Printed Sleeves	Provides product description and package count	Increases ease of product identification
Bar-Coded Sleeves	Allows for retail scanning	Improves operational efficiency and accuracy of inventory
Tri-lingual Text on Sleeves and Cartons	Can be read in English, French, and Spanish	Increases sales in multi-lingual markets
Close Nesting/Low Case Cube	Requires less storage space	Increases operational efficiency by creating room for other items
